Kansas City, Mo.

GUARANTEE

We buy and sell THE BEST SEEDS THAT GROW. But it is impractical to guarantee seeds, as the best seeds will fail under improper treatment. Some may be sown in too dry ground or too wet, too deep or too shallow. Some hardy seeds stand cold weather and will grow where the soil is too cold for others and would cause them to decay. Insects may attack and destroy them. For these reasons we give no warranty, express or implied, as to description, quality, or any other matter of any seeds, bulbs or plants we send out and we will not be in any way responsible for the crops. If the purchaser does not accept the goods on these terms, they are at once to be returned.

A pleased customer brings us two new ones.
We thank you for your liberal patronage and kind expressions and will always strive to merit your continued favors.

favors.

Wishing you a prosperous year, we remain,

Yours very truly,

T. LEE ADAMS SEED CO.

Without good seeds it is impossible to produce good crops. Our aim is to supply only the highest possible quality produced. You cannot buy better seeds no matter what you pay.

Field seed prices are all subject to change without notice. Write for samples and special prices on your field seed requirements. We will save you money.
